Ramp from St. Charles Road to eastbound I-70 temporarily closed

Closure associated with emergency pavement repairs on I-70

JEFFERSON CITY, Mo. – The ramp to eastbound Interstate 70 from St. Charles Road in Columbia is now closed and is expected to reopen Friday evening, March 13. For the safety of the traveling public, construction crews working with the Missouri Department of Transportation closed the ramp as they make emergency pavement repairs to eastbound I-70 at the interchange. Motorists will need to use an alternate route.

Drivers are reminded to slow down and pay attention in work zones. Buckle Up. Phone Down.
